## Hoist and Crane Inspections

In this fast paced industry it is critical to stay up and moving.

From inspections and repair reports to full service maintenance and repairs, you can count on our trained professionals for it all.

Give us a call today to discuss your needs and see what over 30 years of professional experience can do for you, from annual 74-point crane inspections to onetime hoist repairs and maintenance.

Keep your cranes and hoists safe and productive:

- 74-point inspections
- Monthly, quarterly, and yearly inspections
- Onetime maintenance services
- Repairs on-site or in our facility

## Minimize your downtime.

A crane or hoist breaking in the middle of production can cost countless dollars and hours in lost production. Whether you put our trained eyes to work on a regular basis or a onetime visit, we'll help you spot potential trouble points before they become costly failures.

These trouble points can be easily and inadvertently missed as they slowly develop over each passing working day. Give our experts a call today before they develop any further.

Discuss your inspection and repair options with the experts. Call 309-692-6625 or 800-747-1MAS (1627).

Bridge and jib crane installation and inspections
