Custom Solutions

From single machine maintenance
to complete plant relocations

Millwright and Machinery Moving Specialist

For a truly *smart move*, choose
MAS

From moving a single piece of machinery to
relocating an entire plant, you can always count on
our experience, equipment, and dedication to get
the job done right, quickly and cost-effectively.

Your business is unique and we have the solutions to match. Qualified
millwrights, custom fabrication services, and over 150 years of
combined Project Manager experience are only a phone call away.

Over 30 years developing custom solutions:

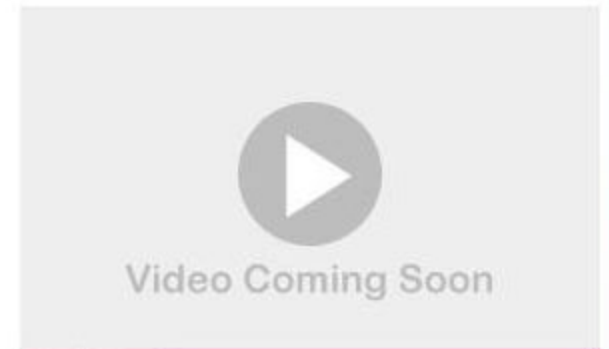

- **Precision Millwrights** - Qualified millwrights for machinery installation, maintenance, and moving
- **Machinery Moving and Rigging** - Complete machinery relocation and precision alignment services
- **Hoists and Cranes** - Thorough inspection, maintenance, and repair services
- **Plant Relocations** - Complete plant and process relocation services
- **Industrial Blacksmiths** - Custom fabrication of below-the-hook lifting devices
- **Machinery Installations** - Assembly, installation, and placement of new and used machinery
- **Automated Systems** - Installation and alignment of automated machinery and systems
- **About Us** - Learn more about our capabilities and our qualifications

Efficiency, accuracy, and precision you can count on.

Serving the Midwest and beyond. Call 309-692-6625 or 800-747-1MAS (1627).
