Custom Solutions

From single machine maintenance
to complete plant relocations

Plant Relocations

Moving your plant across the street or
across the country?

Wherever your next move takes you, you can count
on our expert service, starting with Project
Managers backed by over 150 combined years of
experience.

Call to discuss your plant relocation and receive a complete and
accurate write-up and quote for our services so there are never any
surprises down the road, only careful planning and expert execution.

Over 30 years of plant relocation
experience:

- Critical people, equipment, subcontractors, and contacts for
all needed items
- Disassembly and crating of equipment using skilled
millwrights
- Ensure every piece of equipment arrives at a predesignated
time and in the proper order
- Complete reassembly and placement of all equipment

Complete service for every step of
your move.

You can always count on our skilled personnel, state-of-the-art
machinery and tools, as well as the knowledge and understanding to
put it all to practice with the utmost safety in mind.

We are proud to be a guest in both your current and your new
facilities, always striving to work in the safest, most productive, and
professional manner.

You find the location, we'll handle the rest. Call 309-692-6625 or 800-747-1MAS (1627).
